21 WHEREAS the Ninth Circuit Court of Appeal has issued its memorandum opinion in the *United*
22 *States v. Jan Anthony Borra*, No. 03-10374, attached hereto as Exhibit "A," which remanded the case back
23 to this court for a limited remand under *United States v. Ameline*, 409 F.3d 1073, 1084-85, the parties wish
24 to enter into the following stipulation:

25 The parties hereto through their respective counsel, United States of America, through its
26 representative, Mark E. Cullers, Assistant United States Attorney, and the defendant, Jan Anthony Borra,
27 and his attorney, Assistant Federal Defender Robert W. Rainwater, hereby stipulate to the following:

28 1. On issuance of the mandate in the above entitled matter the defendant, Jan Anthony Borra, does
not wish to pursue resentencing and under the holding in *Ameline, supra* at 1084, elects to opt out of
resentencing by the district court. Counsel for Mr. Borra has spoken with him in person and this is his
request. Mr. Borra has currently finished his term of imprisonment and is living in Fresno. In light of the

fact that he has been released from custody Mr. Borra does not believe that a resentencing will effect his sentence and therefore request that a new hearing not be held.

2. Both parties agree that the district court should allow Mr. Borra to opt out of a resentencing hearing. Mr. Borra's sentence would remain as previously imposed. All other terms of the judgement and sentence shall remain the same.
